It's time to rethink **WEDDING FURNITURE**

Say goodbye to linen.
Say hello to effortless elegance.
Stylish. Sustainable. Smart.

Why Rethink?

Most venues use the same furniture.
The same chairs. The same linen. The same look.
We help you break the mould - with furniture that's
flexible, elegant, and built for modern weddings.

WHY CHOOSE ECLIPSE?

The smarter choice

INNOVATIVE DESIGNS

Contemporary, design-led furniture from exclusive brands **Flexfurn** and **Siesta** that looks stunning indoors or out.

NO LINEN REQUIRED

Save time and money - no more laundering, replacing, or covering up.

SUSTAINABILITY BUILT IN

Eco-conscious materials and processes that reduce waste and carbon footprint.

VERSATILITY

Lightweight, folding, stackable, and nestable for easy setup and storage.

DURABILITY

Built to last with commercial-grade materials - no more frequent replacements.

Real cost savings

SAVE ON LINEN

No tablecloths or chair covers = up to **£500+ saved per table per year.**

SAVE ON LABOUR

Faster setup and takedown = less staff time per event.

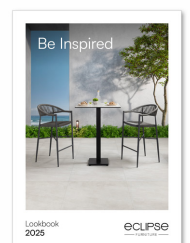

SAVE ON STORAGE

Compact designs and trollies reduce storage space and transport costs.

SAVE THE PLANET

Reusable, recyclable, and sustainable - good for your venue and your values.
